Sub: A National Level Technical Symposium itechnofest - 2K22
Organized by SVCET, Chittoor- Reg.

Dear Sir/Madam,

Greetings from SVCET, Chittoor! I take this opportunity to introduce Sri Venkateswara college of Engineering & Technology (SVCET), Chittoor established in the academic year 1998-99 offers undergraduate courses in B.Tech. (Civil, Mechanical, CSE, ECE, EEE & IT) and Post Graduate Courses M. Tech, MBA and MCA.

We are organizing A National Level Technical Symposium **itechnofest - 2K22** on 22nd December, 2022. This meet is aimed at providing a platform to the students to exhibit their talents with all the zeal and enthusiasm.

We expect participation of your **Budding Engineers** for this event and also to **present** their papers on various topics.

We look forward for your consent and sincerely request you to bring this Brochure to the notice of students from your institute and motivate them to Participate in the Event.

With Regards

Dr. M. Mohan Babu
Principal
